

UNIVERSITY OAKS

Community Policies

WELCOME TO UNIVERSITY OAKS APARTMENTS, a unique residential community for students, faculty, staff, and affiliates of The University of Texas at San Antonio (or "the University") and other institutions of higher education. This Property is for residents who appreciate a beautiful environment and the convenience of on-campus apartment living, and who will make a strong commitment to caring for the community in which they live. The cleanliness, beauty, and enjoyment of the Property will be enhanced if you will speak up whenever you observe a thoughtless act, unsafe condition, or questionable person on the grounds. The community will be governed by the rules of common courtesy and common sense.

You must follow the **STUDENT CODE OF CONDUCT** of the University. While you must follow the entire Code, what follows is the first section of the Code that we present for your convenience: SEC. 101. GENERAL. By enrolling at the University of Texas at San Antonio (UTSA), a student neither loses the rights nor escapes the responsibilities of citizenship. All students are expected to obey federal, state and local laws, the Rules and Regulations of the Board of Regents of The University of Texas System, the rules and regulations of UTSA and directives issued by an administrative official in the course of their duties. A student who enrolls at the University is charged with the obligation to conduct themselves in a manner compatible with UTSA's function as an educational institution; consequently, conduct which interferes with the use or utilization of UTSA facilities by other persons may be sanctioned regardless of whether such conduct is specifically proscribed by the provisions of the *Student Code of Conduct*.

Suspension for non-academic reasons from the current university you are attending will result in eviction. Regardless of whether you are currently enrolled at UTSA, you can be evicted for any violation of the Community Policies.

SAFETY

S1. SECURITY – Neither Owner, Manager, nor their respective affiliates, members, employees, partners and shareholders (collectively the "Company") makes any guarantee of or provides any warranty for your personal security or safety or for the security or safety of your occupants, family, guests or for the security of personal property in the possession of or owned by any of those persons. It is understood that the Company does not have any obligation to install intrusion alarms, access gates, surveillance cameras, controlled entry doors, or other related security and/or safety devices aside from those obligated by law ("Additional Security Devices"). In the event that one or more Additional Security Devices is present within the community, there is no obligation on the part of the Company to continue the use of any such Additional Security Device, and the Company shall not be in default of the terms of the Lease if any such Additional Security Device's use is discontinued and/or the Security Device is removed.

To the extent that the community is equipped with an Additional Security Device, the Company makes no representation or warranty as to: (1) the reliability of the Additional Security Device; (2) the effectiveness of the Additional Security Device as a deterrent or in the prevention of any incident related to your personal security/safety or to the personal security/safety of your family or guests; or (3) the security of personal property in the possession of or owned by yourself, your family and/or your guests. Please be advised that any cameras which have been placed within the community or amenities are not manned and are not designed or intended to provide personal security services for anyone.

The University Police Department may provide security services in the Property from time to time at their sole discretion. You should not assume their presence. The University Police Department may be reached by dialing 210-458-4242. Please call 911 for emergencies or to report criminal activity. In the event of a security-related incident, you acknowledge that the appropriate law enforcement agency is the proper authority to assist you. If such a need should arise, the appropriate law enforcement agency must be contacted first. After initially contacting the proper authorities, you may contact the management office and advise them of the problem. You acknowledge that the Company has no obligation to respond to calls relating to security. The Company is not trained or equipped to intervene in incidents relating to security. This is the responsibility of local law enforcement authorities.

ACCESS TO THE PROPERTY. Your access card contains your personal electronic code and grants you access to the property gates and your apartment. Your acceptance and use of the access card is subject to your compliance with the following guidelines:

- A. Immediately report lost or stolen cards to us. Your number can then be programmed out of the computer to prevent unauthorized use of the card. Lost, stolen, or damaged cards will be replaced for a \$50.00 charge. This charge offsets the cost of the card and the cost of reprogramming the computer.
- B. Your right to use the access card ends when your lease ends or is terminated. You must return all cards at that time. If you fail to return the access card when your lease ends or is terminated, you will be charged \$50.00.
- C. Do not let other people use your card. Do not duplicate any keys.
- D. Mere possession of a card does not necessarily confirm right of entry. Therefore, please do not assist someone who appears to be having difficulty gaining entry. Please do not let someone whose access privileges have been revoked, or guests of others, enter the property with your card.

To avoid damage to your vehicle and to the vehicle access gates, pass through the gates carefully. You may be sanctioned, incur a fee, and/or charged for the repair costs of any damage to gates caused by vehicles driven by you or your guests. People who vandalize the gates will incur a fee, will be required to pay the costs of repairs, and may face disciplinary action and/or criminal prosecution.

PERSONAL SECURITY – WHILE INSIDE YOUR APARTMENT

- Lock your doors and windows, even while you're inside.
- Use deadbolt locks on the doors while you're inside.
- When answering the door, see who is there by looking through a window or peephole. If you don't know the person, first talk with him or her without opening the door. *Don't open the door if you have any doubts*
- Don't put your name, address, or phone number on your key ring.
- If you're concerned because you've lost your key or because someone you distrust has a key, ask us to rekey the locks. You have a statutory right to have that done, as long as you pay for the rekeying.
- Dial UTSA Police at 210-458-4911 for emergencies. If any emergency arises call the appropriate emergency services first, and then call the University Police.
- Check your smoke detector monthly for dead batteries or malfunctions.
- Check your door locks, window latches, and other security devices regularly to be sure they are working properly.
- Immediately report the following to us in writing, dated and signed:
 - Any need of repairs of locks, latches, doors, windows, and smoke detectors
 - Any malfunction of other safety devices outside your dwelling, such as broken gate locks, burned-out lights in stairwells and parking lots, blocked passages, broken railings, etc.
- Close curtains, blinds, and window shades at night.
- Mark or engrave identification on valuable personal property.

PERSONAL SECURITY – WHILE OUTSIDE YOUR APARTMENT

- Lock your doors while you are gone. If you have them, lock your door handle lock, keyed dead bolt lock, sliding door pin lock, sliding door handle latch, and sliding door security bar.

- Close and latch your windows while you are gone, particularly when you are gone for an extended period.
- Tell your roommate where you are going and when you will be back.
- Do not walk alone at night.
- Do not hide a key under the doormat or a nearby flowerpot. These are the first places a burglar will look.
- Do not give entry codes or electronic gate cards to anyone.
- Use lamp timers when you go out in the evening or go away for an extended period. They can be purchased at most hardware stores.
- Let us and your friends know if you will be gone for an extended time. Ask your neighbors to watch your apartment since we cannot assume that responsibility.
- While away for an extended period, if applicable, have your newspaper delivery stopped, or have a friend pick up your newspaper daily.
- Carry your door key in your hand, whether it is daylight or dark, when walking to your entry door. You are more vulnerable when looking for your keys at the door.

PERSONAL SECURITY – WHILE USING YOUR CAR

- Lock your car doors while driving. Lock your car doors and roll up the windows when leaving your car parked.
- Do not leave exposed items in your car, such as electronics, wrapped packages, briefcases or purses.
- Do not leave your keys in the car.
- Carry your key ring in your hand while walking to your car, whether it is daylight or dark and whether you are at home, school, work or elsewhere.
- Try to park your car in an off-street parking area rather than on the street. If you park on the street, park near a streetlight.
- Check the backseat before getting into your car.
- Do not stop at gas stations or automatic teller machines at night, or anytime when you suspect danger.

PERSONAL SECURITY AWARENESS

No security system is failsafe. Even the best system can't prevent crime. Always proceed as if security systems don't exist since they are subject to malfunction, tampering and human error. We disclaim any express or implied warranties of security. The best safety measures are the ones you perform as a matter of common sense and habit.

S2. KEYS – Apartment and Mailbox keys are property of University Oaks and must be returned at the termination of your lease. The charge will be \$50.00 for each key that is not returned, and for each replacement key that you request. The charge for any lost, stolen, or broken keys will be \$50.00. Any duplication of University Oaks keys is strictly prohibited and can result in disciplinary action.

- It is the responsibility of the resident to secure his/her apartment key and access card and not loan these items to anyone.
- If inadvertently locked out of his/her apartment, the resident may seek assistance at the Housing Office (when office is open), Monday through Friday from 8:00 a.m. to 7:00 p.m., Saturday 10:00 a.m. to 5:00 p.m., and Sunday 1:00 p.m. to 5:00 p.m. After hours and on weekends residents may call the on-duty staff member to gain assistance. S3. VIDEO SURVEILLANCE - Portions of the community are equipped with Closed Circuit TV cameras. These cameras have been installed for the purpose of recording events for later viewing. The cameras are NOT monitored and are NOT installed for the purpose of stopping an event in progress. You should always protect yourself by always being aware of your surroundings and by being alert for dangerous circumstances. Further, since the cameras and recording equipment are mechanical and require the involvement of humans, they may not always be working properly due to mechanical or operator problems. Deposit trash in another dumpster nearby. We do not provide door-to-door trash pick-up. You will be charged a \$30.00 service charge if you place any trash outside your Apartment or anywhere else on the property (other than inside the dumpsters). Dumpsters are intended for the use of disposing of normal apartment trash. Large items, such as furniture, should not be disposed of in University Oaks dumpsters.

C3. PATIOS & BALCONIES - Keep patios and balconies clean and uncluttered at all times. Only appropriate patio furnishings should be used. Do not dry clothing or linens or store unsightly personal property on your patio or balcony.

- You may not store any apartment-owned furniture or interior furnishings on the patio or balcony for any reason or for any length of time. When indoor furniture is placed outside, the aesthetic standards set by Centennial Court are not met. In addition, the sun and rain will ruin the furniture's upholstery and finish. If the residents of an apartment are found with apartment-owned furniture on their patio or balcony, the apartment will be billed \$50 for every 24-hour period for every piece of furniture left outside. Habitual offenders will also be referred through the student conduct system.
- Only appropriate personal patio furnishings may be used (e.g. folding chairs and small tables) on the patios or balconies as long as it does not pose a tripping hazard, safety concern, or prevent easy access through the area; hammocks are not permitted to be hung from patios and balconies.
- Barbeque grills, propane tanks, portable barbeque grills (e.g. Hibachis), grilling accessories, and combustible materials such as charcoal and charcoal lighter fluid may not be used or stored inside buildings or outside on patios or balconies. Community barbeque areas are available for resident use.
- You may not display or hang items from the patio/balcony as this can be a fire hazard and an "eye-sore" to the community. This includes

strands of lights, wind chimes, drapes, and any other decorations. Holiday decorations may be displayed at designated times as approved by management.

- You and your guests may not engage in or behave in ways that are dangerous to self or others (e.g., jumping from patio/balcony, repelling, and hanging over the edge, climbing up to the balcony, etc.).
- Ground floor patios and balconies are not meant for entrance and exit from the apartment area.
- You may not throw items to and from patios and balconies.
- No alcohol is permitted on the patio/balcony or any public areas at any time.
- You may not store or leave trash on the balcony or patio; you are subject to trash service charges as previously indicated.

UNIVERSITY OAKS

BED BUG ADDENDUM

This Bed Bug Addendum (this "Addendum") is made and entered into as of the same date as the Lease Contract (the "Lease") to which this Addendum is attached by and between Owner and Resident named therein. The terms of this Addendum shall be in addition to the terms of the Lease as if the terms of this Addendum were written into the Lease. In the event of any conflict between the terms of the Lease and this Addendum, the terms of this Addendum shall prevail.

1. Purpose. It is important that we work together to prevent the infestation of bed bugs. While the presence of bed bugs is not always related to cleanliness or housekeeping, good housekeeping will help control the problem. This Addendum contains important information for you and sets forth responsibilities for both of us.
2. Inspection. You agree that you will inspect the dwelling within 48 hours after move-in or signing this Addendum and will notify us of any bed bugs or bed bug infestation.
3. Representations. We represent that we are not aware of a current infestation or presence of bed bugs in the apartment. You represent that: A) you are not aware of any bed bug infestation or presence in any of your furniture, clothing, or personal property and possessions; B) you have fully disclosed to us any previous bed bug infestation which you may have experienced; and C) if you were previously living in an apartment or home that had a bed bug infestation that you had all furniture, clothing, and personal property or belongings professionally and properly cleaned and treated by a licensed pest control professional.
4. Access for Bed Bug Treatment. You must allow us and our pest control professional access to the apartment at reasonable times to inspect for or treat bed bugs. You and your family members, occupants, guests, and invitees must cooperate and will not interfere with inspections or treatments in accordance with this Addendum. We have the right to select any licensed pest control professional to treat the apartment and building. We can select the method of treating the apartment, building and common areas for bed bugs. You are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve.
5. Duty to Report. You must report any signs of bed bugs immediately and in writing. Do not wait. Even a few bugs can rapidly multiply to create a major infestation. When an infestation is caught early, treatment is often much quicker and less disruptive than when the infestation is more advanced.
6. Cooperation & Responsibilities. Successful treatment of a bed bug infestation is dependent on your full cooperation. If we confirm the presence of bed bugs, you must cooperate and coordinate with us and our pest control professionals to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the apartment and building that are infested. Follow-up treatments or inspections may also be necessary. You shall not treat the apartment for a bed bug infestation on your own. You acknowledge that we have the full right to select a licensed pest control professional to perform treatments and cleaning of the apartment and building. You must remove or destroy personal property that cannot be treated or cleaned before we treat the dwelling. Any items you remove from the dwelling must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your dwelling, we have the right to require you to temporarily vacate the dwelling and remove all furniture, clothing, and personal belongings in order for us to perform pest control services. If during the term of your tenancy: A) bed bugs appear in the apartment; and B) a pest control professional determines that the bed bugs originated in your apartment, you acknowledge and agree that all necessary treatments for your apartment and other units as well as all of our additional costs, expenses and losses will be at your expense. In addition, you acknowledge and agree that if: A) you do not comply with the preparation of the apartment as required by the pest control professional or us; and B) the treatment is unsuccessful because of that; you will also be responsible for subsequent treatments to the apartment and for any treatment to adjoining units that are infested with bed bugs. If you fail to pay us for any costs you are liable for, you will be in default, and we will have the right to: A) terminate your right of occupancy; B) exercise all rights and remedies under the Lease; and C) obtain immediate possession of the Premises. If you fail to move out after your right of occupancy has been terminated, you will be liable for hold over rent under the Lease. You acknowledge and understand that you agree to follow all guidelines given to you by our licensed pest control professional.
7. Indemnification. Under no circumstances shall the Owner and/or Owner's agents and employees be responsible to you for any losses, damages or expenses including special, consequential, or punitive arising out of a bed bug infestation, inspection or treatment. Additionally, you agree to indemnify and hold harmless the Owner, its agents and employees from any actions, claims, losses, damages, or expenses, including, but not limited to, attorney's fees that the Owner may incur as a result of a bed bug infestation, inspection or treatment. This indemnification shall not apply if such damages, costs, losses, or expenses are directly caused by the negligence of the Owner.
8. Default. Failure to promptly report bed bugs, failure to comply with treatment instructions, or any other violation of any other provision of this Addendum is a material violation and breach of the conditions of your Lease. Said violation and breach constitutes: A) grounds for eviction; B) termination of occupancy, and C) subjects you to all other damages, costs legal fees and expenses as stated in the Lease and/or this Addendum.
9. Severability, Waiver and Survival. The provisions of this Addendum shall apply to the fullest extent permitted by law. The partial or complete invalidity or unenforceability of any one or more of the provisions shall not affect the validity or continuing force and effect of any other provision. The court shall interpret and construe the remaining portion of this Addendum so as to carry out the intent and effect of the parties. The failure of either party to insist, at any time, upon the performance of any of the terms, or to exercise any right herein, shall not be construed as a waiver or relinquishment of such term or right. The terms of this Addendum shall survive the termination of the Lease. The undersigned, intending to be legally bound, acknowledge having read and understood this Addendum and agree to carry out the obligations and responsibilities described herein.

You hereby acknowledge and agree that your representations in this Addendum are true and correct and that we are relying on the representations made to us herein.

By initialing, Resident acknowledges that Resident unconditionally agree to all obligations within this Community Policy:
